## TOP 100 - STATISTICS OF SEASON 2013

Date of Report<sup>1</sup>: 23.08.2013

By Rubén A. Báez<sup>2</sup>

This report sets out relevant performance statistics **TOP 100** in each category of those players who have played at least 10 matches in the season 2013.

The analysis covers the period from 01.01.2013 to 08.18.2013. For ATP only include the 250, 500 and Masters 1000 tournaments. There are not statistics contemplated for all tournaments classifications including the Grand Slams and challengers.

The tables are presented for each player or analyst can draw their own conclusions. For example, to analyze the performance of a particular player must take into account all categories of statistics. With this procedure will give a good approximation of the real performance of the player so far in the 2013 season.

**Rankings updated 18.08.2013**
