This report sets out relevant performance statistics that are presented by country of the ATP 2015 Season in the same categories that were analyzed for the players in the report already released: [2015-Season Top100-ATP English](#).

The analysis covers the period from January 1st, 2015 to November 29th, 2015. For ATP are included the ATP World Tour 250, 500, 1000 and the Barclays ATP World Tour Finals. For the ITF are included Australian Open, Roland Garros, Wimbledon, US Open and the Davis Cup. There are not statistics contemplated for all tournaments classifications including the Grand Slams, Challengers and the others ATP tournaments.

The statistics about winners, unforced errors and net points won are partial so this is the reason that is not published in this report.
