MONTHLY REPORT

TOP 30 OF THE GENERAL PERFORMANCE RANKING[©] (GPI Ranking[©])

2019 SEASON, JULY

General Performance Index[©]

(GPI: General Performance Index): *"It is an index that measures the performance that a tennis player has had in a given period of time."* This index, not shown here, is used to make the "**General Performance Ranking[©]** or **GPI Ranking[©]**".

The following tournaments, which correspond to those started in the month of July, have been included for the determination of the **Top 30** of the **General Performance Ranking[©]**:

- **Wimbledon** – Grand slam (grass).
- **Swedish Open** – 125K Series (red clay).
- **Ladies Championships Lausanne** – International (red clay).
- **Bucharest Open** – International (red clay).
- **Baltic Ocean** – International (red clay).
- **Palermo Ladies Open** – International (red clay).
- **Mubadala Silicon Valley Classic** –Premier 5 (hard, Deco-Turf).
- **Citi Open** – International (hard, Sol-flex).

- **Liqui Moly Open Karlsruhe** – 125K Series (red clay).

The **WTA Ranking** of the players, which has been considered for this report, is on August 5th, 2019.

Regarding the 213 players, whom participated in these nine tournaments and who compound the statistic sample that has been considered for the statistical calculations, only the 30 that have achieved the best performance in the mentioned tournaments are exposed.

We highlight, the podium conformed by **Patricia Maria Tig** (ROU), **Fiona Ferro** (FRA) and **Jil Teichmann** (SUI) in positions 1, 2 and 3 of the **GPI Ranking[©]**, respectively.

Other players highlighted in the **TOP 10** of the **GPI Ranking[©]** are: **Katarzyna Kawa** (POL), **Elena Rybakina** (KAZ), **Jasmine Paolini** (ITA), **Anastasija Sevastova** (LAT), **Paula Badosa** (ESP), **Laura Siegemund** (GER) and **Simona Halep** (ROU). See table 1.

¹ Report elaboration based on data from official Websites:
www.Wimbledon.com
www.WTAtennis.com

² National Tennis Coach (Argentine Tennis Association), Bachelor of Business Administration, Certified Public Accountant, Post grades of Finance Management and Capital Markets, Master of Business Administration (IAE Business School, Austral University, Buenos Aires, Argentina).

It can be seen that from the **WTA Ranking's Top 10** only appear, **Simona Halep** (4), **Kiki Bertens** (5), **Elina Svitolina** (7) and **Serena Williams** (10) in the **Top 30** of the **GPI Ranking**® for the month of July (table 1).

In table 2, it can be seen that only 7 **Top 30** of the **WTA Ranking**, mentioned above, are included in the **Top 30** of the **GPI Ranking**®.

We see that the performance of the No. 1 of the **WTA**, **Ashley Barty** (AUS), has not been good in the tournaments that began in July. **Barty**, only reached the **GPI Ranking**® 61, because she only played 4 matches in the period under analysis, of which she won 3. In addition, **Barty** played only **Wimbledon**; in the other eight tournaments, mentioned in this report, she did not appear. On the other

hand, **Patricia Maria Tig** (ROU), of **WTA Ranking** 140, won 11 of 13 played matches in the same period.

Remember that, for the calculation of the **GPI Ranking**®, all tournaments are equal, and the **WTA Ranking** is not considered. A Grand Slam match has the same importance as a 125K Series match, for statistical purposes. The **GPI Ranking**® is democratic.

Next, the tables with their respective performance rankings or **GPI Ranking**® are exposed as is usual, in each analyzed aspect of the 30 players that achieved the highest performances during the analysis period.

TABLE 1

GENERAL PERFORMANCE RANKING[©] → GPI Ranking[©]

| GPI Rkn ↓ | Name | Surname | Country | Played Matches | WTA Rkn |
|-----------|----------------|-----------------------|----------------|----------------|---------|
| 1 | Patricia Maria | Tig | Romania | 13 | 140 |
| 2 | Fiona | Ferro | France | 12 | 68 |
