² National Tennis Coach (Argentine Tennis Association), Bachelor of Business Administration, Certified Public Accountant, Post grades of Finance Management and Capital Markets, Master of Business Administration (IAE Business School, Austral University, Buenos Aires, Argentina).

Players like **Bianca Andreescu**, **Karolina Pliskova** and **Simona Halep**, among other top players, seem to have taken a break this September. Surely, to recover and face the last stage of the season.

Naomi Osaka has had an impeccable performance, won 10/10 played matches and she is not No. 1 in the **GPI Ranking**[®] because Sofia Kenin played four (4) matches more than **Osaka** and won 11/14. For that reason, **Sofia Kenin** occupies the **GPI**

Ranking[®] No. 1, and well deserved for her performance.

Next, the tables with their respective performance rankings or **GPI Ranking**[®] are exposed as is usual, in each analyzed aspect of the 30 players that achieved the highest performances during the analysis period.
