#### 2019 SEASON: JULY – AUGUST - SEPTEMBER

#### General Performance Index<sup>©</sup>

(GPI: General Performance Index): *"It is an index that measures the performance that a tennis player has had in a given period of time."* This index, not shown here, is used to make the "General Performance Ranking<sup>©</sup> or GPI Ranking<sup>©</sup>".

- **China Open** – ATP 500 (hard).
- **Rakuten Japan Open Tennis Championships** – ATP 500 (hard).

The **ATP Ranking** that has been taken for this report is on October 7<sup>th</sup>, 2019.

Other players featured in the **Top 10** of the **GPI Ranking**® are **Joao Sousa** (POR), **Novak Djokovic** (SRB), **Albert Ramos-Vinolas** (ESP), **Benoit Paire** (FRA), **Dominic Thiem** (AUT), **David Goffin** (BEL) and **Alex De Minaur** (AUS). For the rest of the **Top 50** see table 1.

In this third quarter of the season, there is an undisputed hero who has performed in an amazing manner, we are referring to the young Russian **Daniil Medvedev**, who right now could be considered the best player in the world regarding his performance in the tournaments, independently of the **ATP Ranking** which is No. 4. **Medvedev**, this quarterly was the player who has obtained practically the best performance in almost all the areas we analyzed to determine the **GPI Ranking**®. It should be noted that the young Russian has a champion mentality that has shown, especially in the US Open, that he can overcome unfavorable situations in the matches, when he has the public against him.

To mention briefly, the **Daniil Medvedev** campaign, this season reached 9 finals, of which he won 4, namely:

- **Sofia Open** – ATP 250 (hard).
- **Western & Southern Open** – ATP Masters 1000 (hard).
- **St. Petersburg Open** – ATP 250 (hard).
- **Rolex Shanghai Masters** – ATP Masters 1000 (hard).

The finals that he lost were versus:

- **Brisbane International** – ATP 250 (**Kei Nishikori**).
- **Barcelona Open Banc Sabadell** – ATP 500 (**Dominic Thiem**).
- **Citi Open** – ATP 500 (**Nick Kyrgios**).
- **Coupe Rogers** – ATP Masters 1000 (**Rafael Nadal**).
- **US Open** – Grand Slam (**Rafael Nadal**).

In my opinion, **Daniil Medvedev** has a series of skills that are enviable, at least so far, and that have placed him No. 4 of the **ATP Ranking**, immediately after the so called **Big Three**. Those skills are agility, speed, good serve, good return, he is very high (1.98 m) but, the most important thing is his "*mentality*" in "*winner*" mode. It is the mind, the intelligence applied to the game that makes one player different from another. In the case of **Daniil Medvedev**, he is a gifted player. We will see if **Medvedev** is regular over time and surely, when the **Big Three** retires, he will be contesting No. 1 of the **ATP Ranking** with other promising youngsters such as **Alexander Zverev**, **Alex De Minaur**, **Karen Khachanov**, **Stefanos Tsitsipas**, **Felix Auger-Aliassime** and **Denis Shapovalov**, among others.

Next, the tables are presented where they appear the performance in the different aspects, services, returns, break points, etc. of this quarterly. Starting with table 1, which synthesizes all aspects of the following tables and presents the **Top 50** of the **GPI Ranking**®. Also, I have made an annex with tiebreaks, aces and double faults.
